## August 2019 Newsletter

### Outdoor Play in Summer

As much as we love Summer, we also want to make sure our children are safe and fun during Summer. When temperature reaches between 85-90F, we will shorten outdoor time from 40mins to 20 mins instead. If temperature over 90F, we will keep them inside of classroom to have indoor activities instead..

★HAPPY★  
BIRTHDAY!

- 8/8 Valerie Yang
- \*8/8 Oliver Tsai
- \*8/14 Ned Chiang
- \*8/19 Brandon Ma
- \*8/21 Kai Lamprides
- \*8/24 Isaac Mao
- \*8/26 Victoria Devault
- \*8/30 Nathan Vu

### 8/1 Sensory water play :Water Beads

Water beads are best for the sensory play. They are colorful, smooth, squish. Water beads seem like magic to kids because the beads start out so tiny and grow within a few hours.

- 10:00-10:20 am Elephants
- 10:20-10:40 am Guppies
- 10:40-11:00am Pandas
- 11:00-11:20 am monkeys
- 11:20-11:40 Penguins

### 8/16 Field Trip : Fire Station Visiting

We are so excited to have our first field trip this Summer. All our kids will have the opportunity to see inside of fire station. They will also show a demo on how they respond to an emergency call. How to put on their gear and equipment.

Time: 10:00am -11:30am  
Dress code: School uniform  
+comfortable waking shoes,  
Permission slip need to be signed. Of course , Onsite care still available for kids who doesn't want to join in field trip)  
Volunteers are welcome. Please sign up at front office. ( See flyers for all details)

### 8/30 End of Summer Lunch Party

Yeah, Let's have a party for the end of Summer. All students will enjoy a buffet style at our city room to choose what they want for lunch. Of course, we will teach them the food name in Mandarin/ English. They all going to celebrate in their classroom. We are going to review all we have learned in Summer ( See upcoming flyer for details)

### Labor Day
