It was a successful performance. Our students did a fantastic job at Asia American Expo in Pomona Fairplex on 1/13 & 1/14. We have received so many cheers & compliments on that day.

Thank you for the teachers who work very hard for the performance. especially thanks to Mrs. Claire, Ms Cynthia, and Ms. Lin who spent a lot of time and effort to bring this performance to a success. Thank you Ms. Julie and Ms. Helen to support on the event day!

We specially thank you to the parents who gave full supports to the children. We are proudly to see our children overcome the fears and challenges. They have gain their experiences, value and knowing Chinese culture throughout this event. We highly appreciate parents' participations. Children learn the importance of cooperation, feel the warmth, love and support from their families and other people around them. Learning is not only reading and writing at school, we are proud to organize so many activities all year round for our students and families.
